

# MEET THE TEACHER

Mrs. Amber Fuhrmann

I am so excited to be your teacher. It's going to be a great year full of new friends, new adventures, and new discoveries. You will bring so much to our class and I can't wait to learn more about you!

## EDUCATION

I graduated from Forney ISD. I then spent a few years discovering what I wanted to do with my life. I finally realized my true calling was education and completed my degree at Texas Woman's University with a Bachelors Of Science degree in Interdisciplinary Studies with a Specialization in Special Education. I met my husband Kevin and we married, and a few years later we had our son Tommy. I have taught Special Education, 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, and 4<sup>th</sup>. I taught for a few years and then returned to school to earn a Masters Degree in School administration. I have been in education over 20 years. I am so excited to be Era ISD and teaching reading interventions. GO HORNETS!!!
